Our program is designed to take it’s audiences on a musical journey where they will be introduced to the Turkish coffeehouse and the Greek Kafe Aman repertoires. The title “Aman Aman!” was thoughtfully chosen since “Aman” is an expression that is commonly used in daily life by Turks and Greeks and can indicate a number of moods/feelings including gratitude, surprise, joy and sorrow. Furthermore, this expression is used by audiences to acknowledge the craftsmanship of musicians during an instrumental or vocal improvisation as well. In fact, particularly among Greek people, a vocal improvisation is called an “Amane”.

Our repertoire includes late classical Ottoman/Turkish music, urban folk songs from Turkey, songs representing the Kafe Aman style from mainland Greece as well as early Rembetika songs.
